

# Central Virginia Land Conservancy

Promoting the stewardship and conservation of Central Virginia's forests, farmlands, waters and other natural and historic resources.

To further our efforts, CVaLC is offering sets of four attractive note cards for sale. Each card has a photograph of a different rural scene in Central Virginia. The back of the card describes CVaLC's mission and why it is important to conserve our beautiful and productive landscape. Proceeds from the sale of the cards directly support CVaLC's programs to preserve the positive aspects of our community and the regional character that makes Central Virginia a great place to live.

The cards (envelopes included) are priced as follows:

**1 set (4 cards) .....\$10      3 sets (12 cards) .....\$25      6 sets (24 cards) .....\$40**
